

Instructions for the Placement Test

Welcome to the *Language and Community Center* at Constructor University!

The procedure for the placement test is the following: 1) Do the test – unless you have no prior knowledge of German language. 2) Send the result to mschlenker@constructor.university 3) You won't receive a personal confirmation but will be placed accordingly in CampusNet. 4) Wait 24h. 5) Register for your specific course; your placed level will be the only option. The test must be completed until **two days before registration ends**.

According to your own approximate assessment (from A1 beginner to C1 advanced) go to:

Welcome to the placement test for German as a foreign language

- This placement test assesses your German language skills for A1 / A2 / B1 / A1-C1 of the Common European Frame of Reference for Languages (CEFR)
- After taking the test, you receive a recommendation for a course level
- Please go thoroughly through the test. There is no time limit
- The test consists of 38 re. 64 (A1-C1) questions and tasks. Please read the instruction for each question/task carefully
- The button takes you to the next task.
- The button takes you back to the previous task
- On the left-hand corner above the task window you find the overview list of questions **Fragenliste**
- You can stop the test at any time for an assessment. All answers up to that point will be checked

- If you want to finish, please click **ALLES EINREICHEN** on the bottom left corner
- If you haven't gone through all the questions, you will get the following dialogue box:

 Es gibt noch unbeantwortete Fragen. Möchten Sie fortfahren, ohne alle Fragen zu beantworten?

ALLES EINREICHEN

ZURÜCK ZUM EINSTUFUNGSTEST

This means: There are still unanswered questions. Would you like to proceed without having answered all the questions?

If **YES** click on **ALLES EINREICHEN** Which means **SUBMIT EVERYTHING**

If **NO** click on **ZURÜCK ZUM EINSTUFUNGSTEST** Which means **BACK TO PLACEMENT TEST**
