COPERNIA

TRANSFORM EDUCATION, SHAPE THE FUTURE

PARIS – Saint Nicholas Day, 2025

Education is critical for change.
Here is why:

60%

of workers need reskilling by 2030

3 within 5 years

Source : World Economic Forum – Future of Jobs Report 2025

91%

of education & training employers expect AI & Tech to drive change by 2030

90% of global executives plan to maintain or increase efforts in Learning & Development.
20% + more jobs in Higher Education.

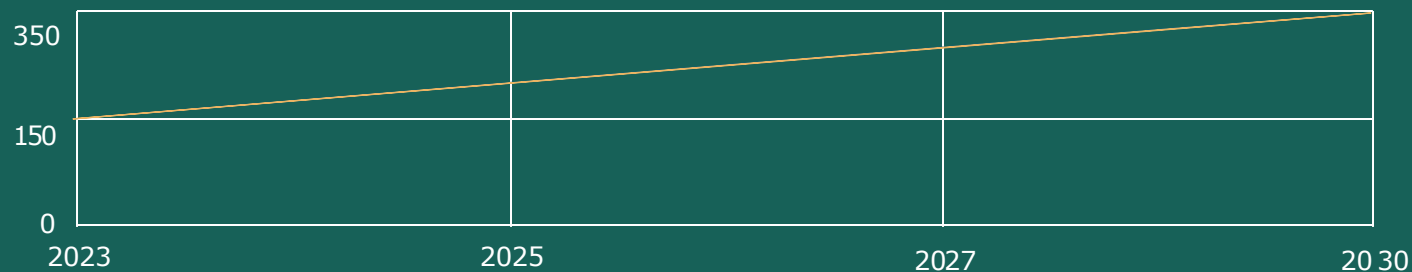

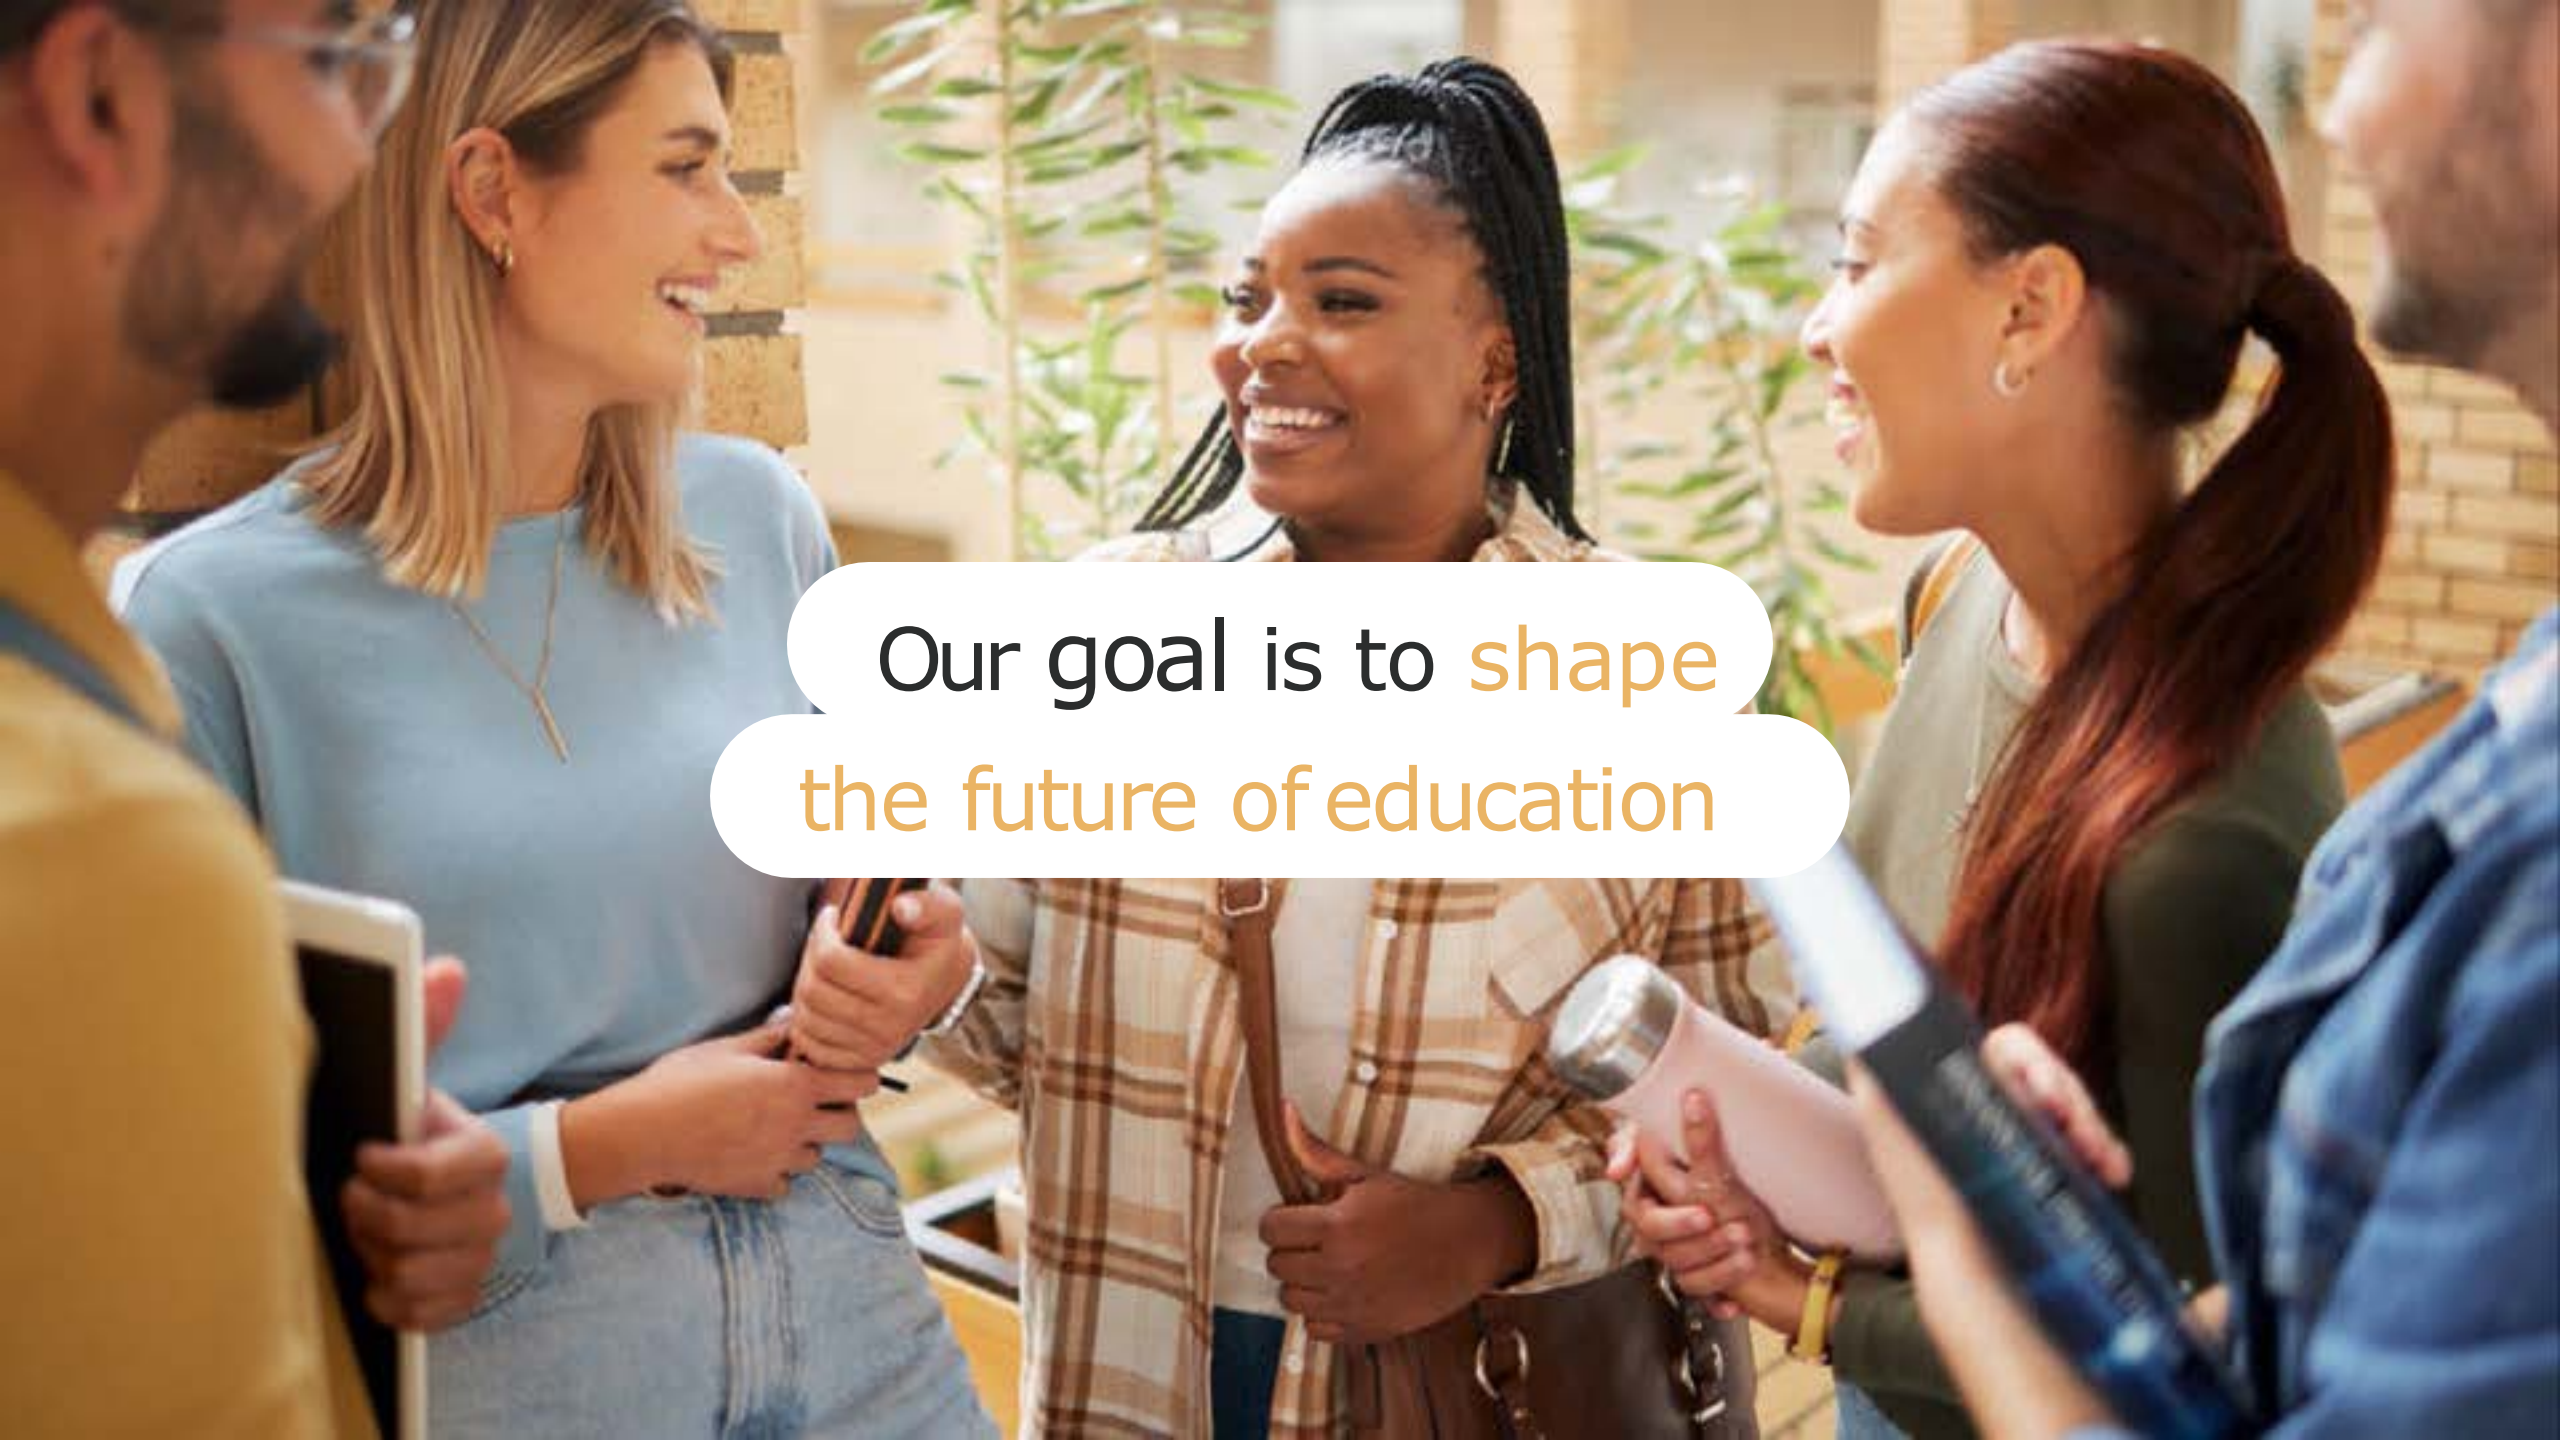

€350B

estimated global EdTech market in 2030 (+13.4%p.a.)

1153 deals in 2024 (913 in 2023)

Est. EdTech market by 2030

A group of four young adults are shown in a bright, indoor setting, possibly a cafe or a modern office space. They are all smiling and engaged in conversation. On the left, a woman with blonde hair is wearing a light blue sweater and holding a tablet. In the center, a woman with dark hair in a plaid shirt is smiling. To her right, a woman with long red hair in a ponytail is also smiling. On the far right, a man with a beard is partially visible. The background features a brick wall and some green plants. A white speech bubble with orange text is overlaid on the image.

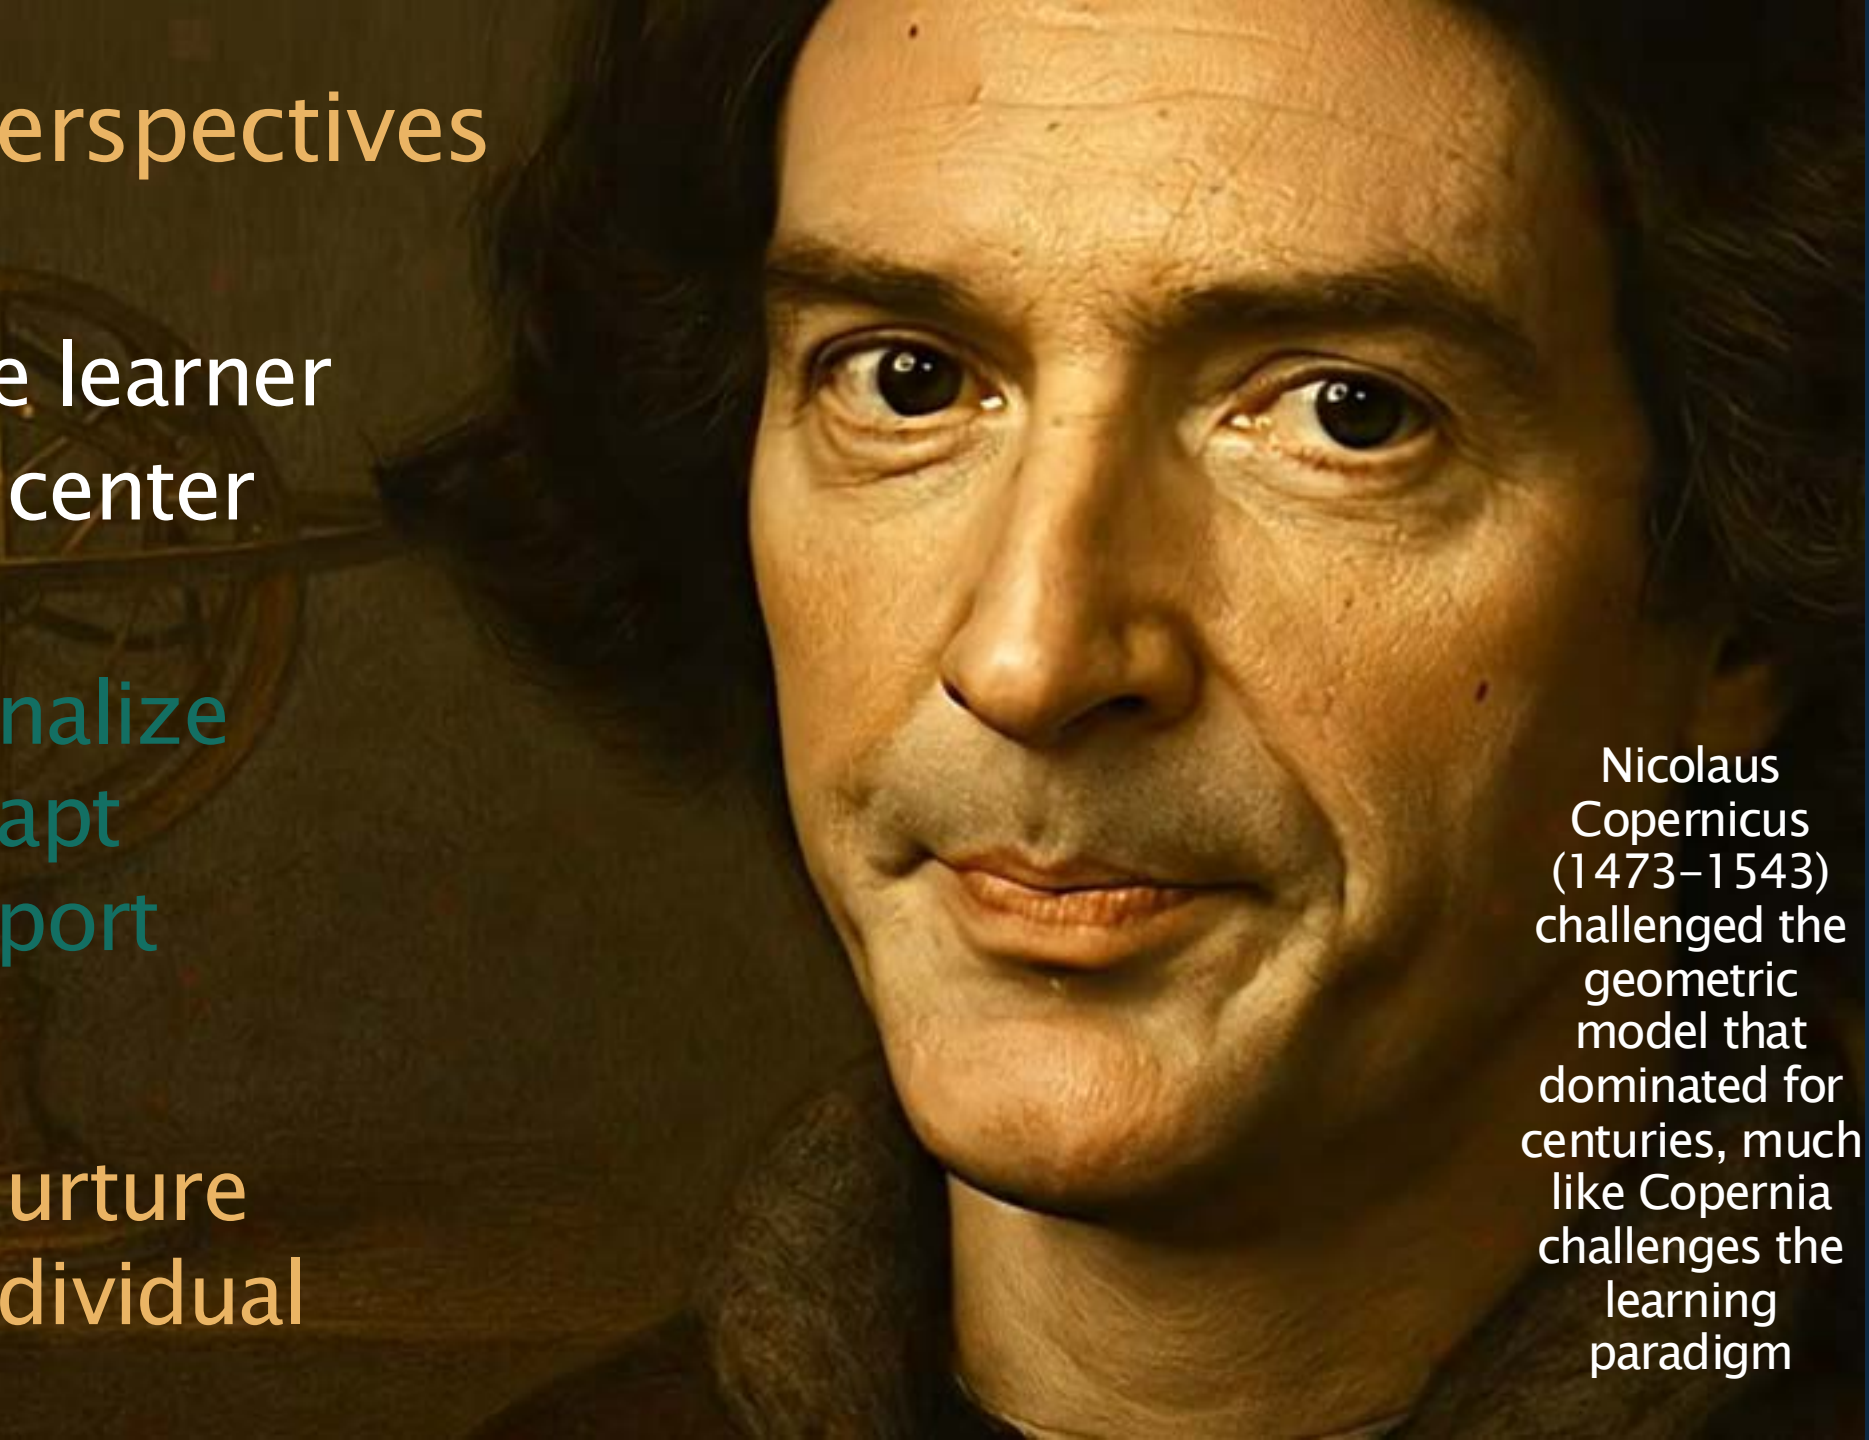

Our goal is to shape
the future of education

Shifting perspectives

Place the learner
at the center

Personalize
Adapt
Support

Help nurture
every individual

A detailed portrait of Nicolaus Copernicus, showing him from the chest up. He has dark, wavy hair and is looking slightly to the right with a thoughtful expression. The background is dark and textured.

Nicolaus
Copernicus
(1473–1543)
challenged the
geometric
model that
dominated for
centuries, much
like Copernia
challenges the
learning
paradigm

A school to transform Education & Learning

proposing a new MSc in
Innovation & Technology for Education

European Joint Masters Degree
Accredited by two EU Agencies : FIBAA & CYQAA,

YOUR PARTNER FOR EXCELLENCE
IN HIGHER EDUCATION

FIBAA

ΦΟΡΕΑΣ ΔΙΑΣΦΑΛΙΣΗΣ ΚΑΙ ΠΙΣΤΟΠΟΙΗΣΗΣ
ΤΗΣ ΠΟΙΟΤΗΤΑΣ ΤΗΣ ΑΝΩΤΕΡΗΣ ΕΚΠΑΙΔΕΥΣΗΣ

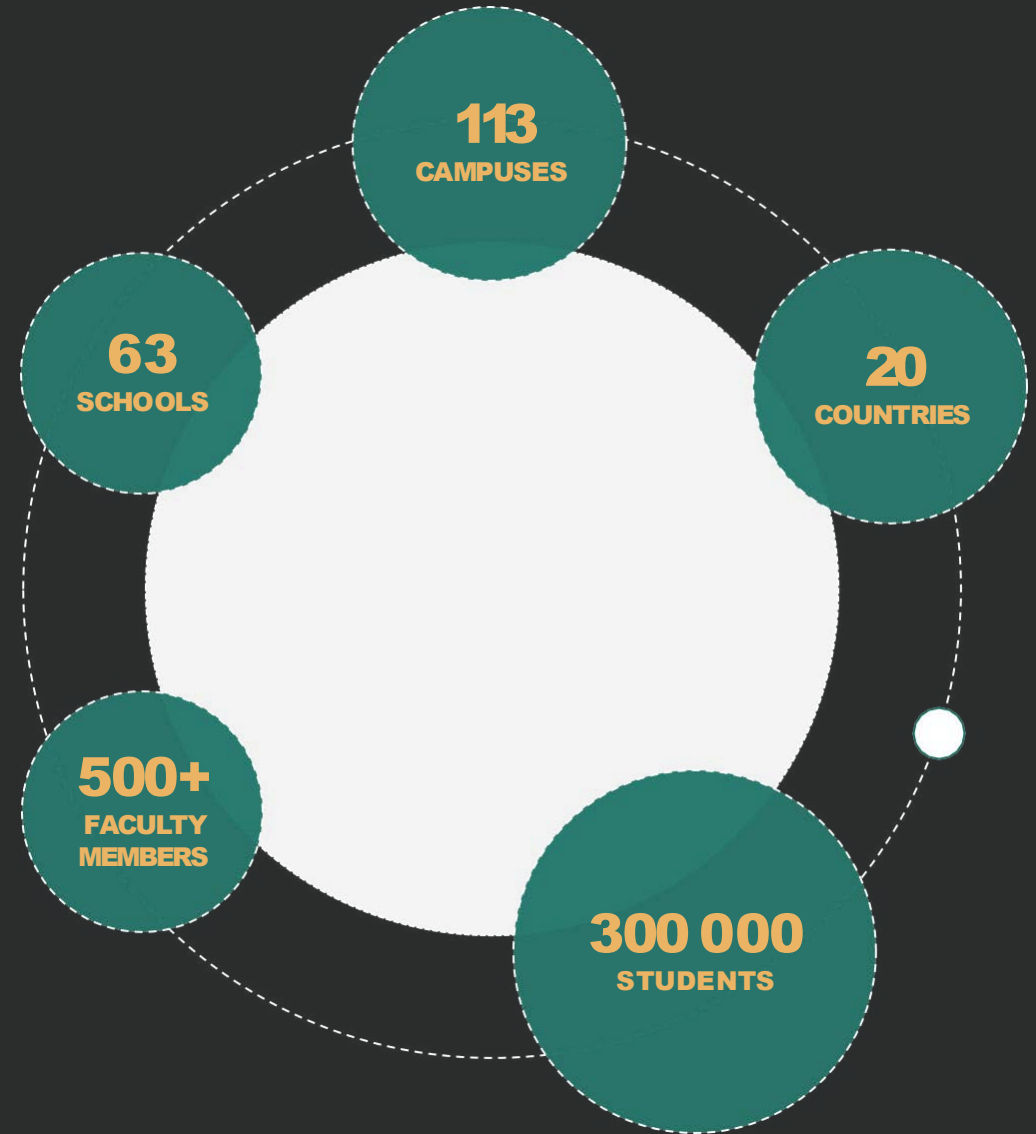

Copernia is part of Galileo, the world leader in private higher education

A unique diversity of offerings

- Across disciplines : arts and creation, business and management, health and tech
- On-campus, on-line and hybrid learning experiences
- Academic, vocational, executive and specialized programs

Pioneering global education

Copernia is an initiative
drawing on prestigious
4 innovative and
recognized partners

Building blocks for next-generation education

- Advanced Cognitive and Neurosciences
- State-of-the-art Technology, AI & Data Analytics
- Transformative Educational Sciences
- Innovation Design
- Management and Entrepreneurship

Our mission:

Empower students
to transform education

Projects with
**real-world
partners**

Agile,
based on feedback
and evidence,
pedagogical
design

Innovation
grounded in
research, focused
on **application**

Discover our MSc program: Innovation and Technology for Education

- 1 A European joint degree: beyond borders
- 2 Research & practice – bridging theory and application
- 3 Field-driven innovation: global perspectives, real projects

Learn and experience innovation in practice: from concept to scale

Who is the program for?

1

Highly-skilled
Bachelor and Master's
students

2

Professionals
in need of upskilling and
reskilling to leading roles

3

Advisors
and consultants

Pioneer the future of Education

Core Learning Outcomes

Master
Learning Processes

+

- Learning Venture Director
- Education Product Manager
- EdTech consultant
- Education Innovation Researcher
- etc.

A woman with long red hair, smiling and clapping her hands, standing in front of a whiteboard. The whiteboard has some faint diagrams and text on it. The woman is wearing a black sleeveless top and a watch on her left wrist.

A unique journey to education leadership

The M.Sc. Innovation and Technology for Education

120 ECTS over four semesters

Learn – Build – Impact

DIRECT ADMISSION IN M2 POSSIBLE

30 ECTS

S1: Foundations in
Education and
Technology

Includes an individual research
project in educational
management

30 ECTS

S2: Advanced
Studies and Applied
Project

Includes a group research project
designed by a school or a group of
schools

30 ECTS

S3: Topical and
Sectorial
Specializations

30 ECTS

S4: Internship
& Applied Research
Thesis

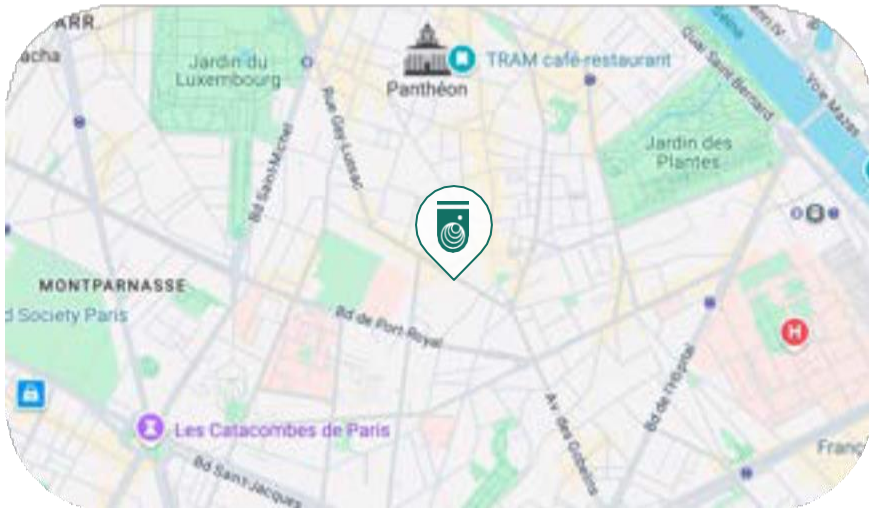

Includes the design and execution
of a course

Monthly "Innovation Days"
& shared events

Y1 - Craft your journey

Y2 - Choose your impact

A prestigious campus in the Quartier Latin, where academic excellence meets Parisian culture

State-of-the-art facilities and spaces shared with leading arts and business schools

International semester in Germany or Cyprus

Source : Macromedia Munich

Source : EUC Nicosia

Accelerate your career

- 1 Design and drive transformative **innovation** projects
- 2 Connect and partner with **industry** leaders
- 3 Structure and lead **research** initiatives with your master's thesis
- 4 Experience real professional **impact**, in your internship and beyond

A man in a dark suit is seen from behind, standing on a modern staircase with a glass railing. He is looking out at a large glass wall that reflects the sky. The scene is bathed in warm, golden light, suggesting sunset or sunrise. The staircase has a curved, metallic railing. The overall atmosphere is professional and forward-looking.

Exec & B2B programs :
Accelerate your transformation

Who are the programs for?

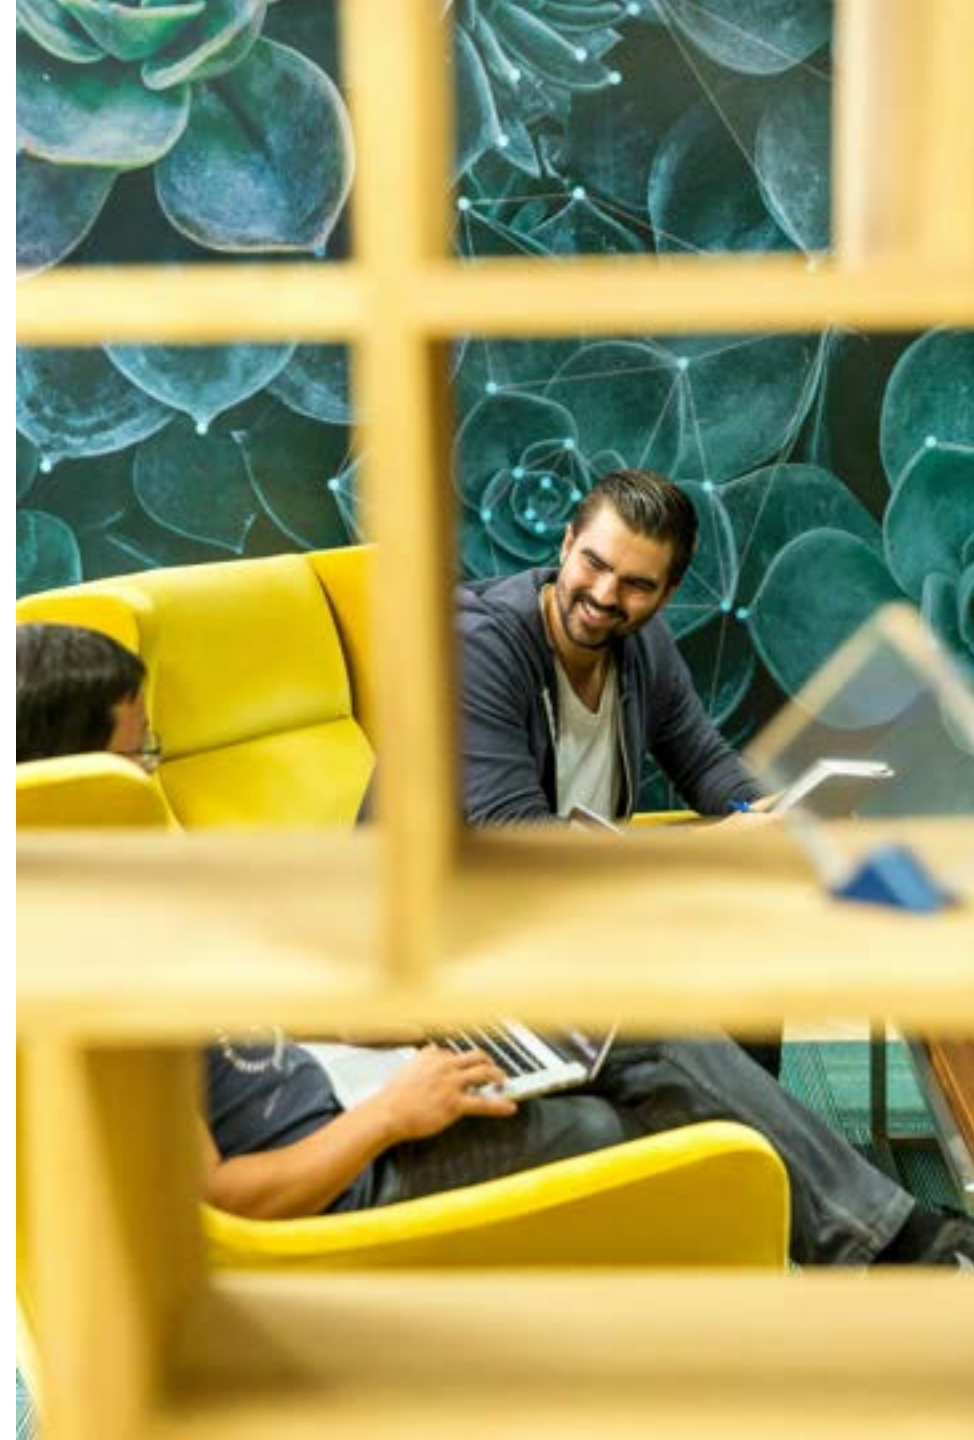

1

Individual executives (“B2C”)
in Education and Learning

2

Executive teams (“B2B”)

With an ambition to accelerate
their Learning & Education
transformation

Customized offers

(MSc, Exec MSc or blocks)

Aspects of Learning in the Age of AI
(5 ECTS, Lecture & Tutorial)

Research Project in Educational
Management
(10 ECTS, Workshop)

30 ECTS

Block 2 Tech for Education

Global Educational Perspectives in the
age of AI
(5 ECTS, Seminar)

Technology Innovation
(5 ECTS, Seminar)

Technology Integration in Education
(5 ECTS, Seminar)

Augmenting Educational
Management Systems and Solutions
(5 ECTS, Lecture & Tutorial)

Applied project
(10 ECTS, Workshop)

Short / Bootcamps – for Exec, teachers, managers

Focused on your and/or an organization's strategic objectives (e.g.):

- Female empowerment in Higher Education
- Set up of an innovative Eu-Asian university
- Transform training in Health etc.

Tailored curriculum :

- **Ad hoc** use cases and assessments
- **Pre-designed** project / research works and workshops
- **Innovation Days**: practical exposure to c. 10 schools (Galileo and beyond)

Flexible delivery :

- **Online** (incl. 3 hours synchronous on Friday's)
- **Onboarding week** and **Innovation Days** in Paris
- **Workshops** in Paris or on-site etc.

A futuristic learning environment with people interacting with large digital screens displaying colorful brain maps and data. The scene is set in a modern, high-tech classroom or laboratory. Several individuals are visible, some wearing headsets, engaged in collaborative learning. The background features large digital displays showing various data visualizations, including brain maps with highlighted regions in yellow, pink, and blue. The overall atmosphere is one of advanced technology and collaborative education.

Let's shape the future of
learning together
